Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the listed documents on the attached PTO SB/08 Form. This Information Disclosure Statement is being filed before the mailing date of a first Office Action after the filing of a Request for Continued Examination in the above-referenced application.

Copies of the U.S. patent publications are not enclosed. Copies of the listed Office Actions for U.S. Patent Application Serial No. 10/747,675 mailed on December 26, 2007, May 8, 2008, and November 18, 2008 are enclosed.

Copies of the listed Office Actions for U.S. Patent Application Serial No. 10/747,675 mailed on December 15, 2005, May 31, 2006, March 1, 2007, and August 28, 2007 are not enclosed, because copies of these Office Actions were previously made of record with the Information Disclosure Statement filed on September 10, 2007.

Applicants have relisted the non-enclosed Office Actions on the attached PTO/SB/08 form to correct a number of typographical errors on the earlier PTO-1449 on which the Examiner indicated that these Office Actions were considered.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
